Here we go back to position-1 which was shown in the beginning of the seminar.

## Position 1

Now it's clear to everybody that  $6/5^* 8/3^*$  is the best play by far.

## Summary

- ✓ Double hit is a strong play in backgammon and I call it "Tiger Play"
- ✓ You double hit and leave two blots in your home board. I call it "Double tiger".
- ✓ If your two blots are on the points you would like to make, Double Tiger is a very strong offense.
